**Congrats!**

Congratulations to SGT Smith and CPL Newby on their promotions!

## BBQ reunion raises funds

On the 19<sup>th</sup> of July, the squadron had a BBQ for a cadet reunion. It was a big success and the weather turned out great.

Many cadets and ex cadets turned out for the event to re-unite with old friends and staff. Cadets also brought along their family to meet other cadets and staff.

There was a range of food and drink available and also a raffle to win some prizes!

The money raised went towards the squadron funds to help for upcoming events.

Every room in the squadron was open for people to explore with the simulator running for anyone who wanted to have a go!

Thanks to many cadets for donating prizes that made the raffle a success.

A decent amount of money was made.

As well as the raffle, the committee sold sweets and other small things which contribute to big things!

Events like these help current cadets and ex cadets to continue their friendships in and out of the Squadron.

The BBQ was also a time for the cadets to relax while being at the squadron instead of having other responsibilities like on a parade night.

Pilot Officer Molloy said: "The weather was wonderful and it was nice to see the cadets enjoy themselves, it was nice to see parents getting involved with activities."

Overall the BBQ went great and for once the weather permitted, allowing everyone to have a fun day out.

# Squadron runs Sunday sessions

As you may be aware, the squadron is open most Sunday's from 1pm, that's 13:00 hours for us military lot!

It's a chance for cadets to take part in some simulator training, and improve their skills when flying, or navigating.

Band practice is normally running, and if you're interested in joining the band, Sgt Tilt is who you need to see.

If there's enough interest

Tabletop exercises can be exciting and challenging, have you got what it takes?

war gaming and tabletop exercises will be ran, in preparation for aircrew ex's & greens nights.

It is a non uniform event, and is much more relaxed than a parade night.

Cadets can talk and get to know each other, and make new friendships.

Canteen is also open during breaks, so bring money with you if you wish to purchase anything.

So if your cadet friends are bored or want a challenge, Sunday's are for them!

See you Sunday!
