

THE CAVEANT CHRONICLE

December 09/January 10 Issue

Pictured: 111 Squadron wins the Lee's Trophy in 1994.

The Squadron has been selected as the Wing representative for the 2010 award.

Congrats!

Congratulations to all the cadets who achieved their marksmanship awards in December.

Welcome back

A very warm, 111 Squadron welcome to a new year and new challenges.

As you will all be aware, a snowy start delayed our return to the unit, and stopped a few activities too.

The staff and NCOs have all been working hard, to bring new activities, experiences and opportunities, despite the weary weather.

Keep your eye on the Interactive notice board, Sqn Groupsite and dates published in the 'Chronicle'.

We're also the Wing nominee for the Lee's Trophy, which is awarded to the best Squadron in the UK. A lot of work is involved for staff and cadets alike, however, I'm sure you'll agree, its worth it!

We need your ongoing support to take away this prestigious award.

Suggestions and comments on how we can improve your Squadron experience can also be made anonymously via the Groupsite.

Lets make 2010 a year to remember!

Dates for your diary:

The team have provided a calendar to help you plan out all your cadet activities on the rear of this issue.
