JOINING INSTRUCTIONS FOR 111 (SUNDERLAND) SQUADRON ATC

Thank you for visiting our website and for requesting more information on how to join. We hope that this is the start of an amazing journey with the Air Training Corps.

To find out more about #whatwedo, you can search @111SquadronATC online. Our various web channels are always up to date with our incredible adventures!

If you like what you see then you should **visit our HQ** on Tay Road, Thorney Close, SR3 4PD. **Where possible**, please call or email our Squadron Operations team first, just in case we are involved in off-site activities.

You should arrive at **18:45** where you'll be given a welcome briefing, this includes a full tour of our wonderful facilities.

Following your visit, if you decide that you'd like to continue, we'll send you an electronic welcome pack for your parents/guardians to sign.

You'll then receive a Squadron polo shirt and t-shirt so that you feel part of the team straight away. Six weeks into your cadet career you'll get issued with the RAF uniform.

There's a joining fee of £20 and we charge £16 per month in subscriptions.

Please feel free to contact us if you'd like to ask any further questions or have any queries on the joining process. Otherwise, we look forward to meeting you at the Squadron in the near future!

You may print these Joining Instructions for future reference and we've included a space to write any details that we may give if you contact us.

Date of arranged visit: _____ at 18:45

Notes:

Officer Commanding:
Flight Lieutenant James Yeo RAFVR(T)
