Well Done!

Well done to everyone who helped out at the Air Show!

£1500 raised through Air Show

Cadets and parents from 111 (Sunderland) Squadron rolled their sleeves up for another busy weekend at the annual Sunderland Ai Show.

The show, which has taken place in Sunderland for the last 23 years, sees many different types of aircraft and displays each year.

Visitors to the show were able to see 111 Squadron in action, raising both awareness and funds for the unit.

Mrs Glendenning, Squadron Chairperson said: "It was another

fantastic year at the air show, we all hate the early morning starts and late finishes, but everyone agrees it is worth it in the end."

This years stall included the famous bottle tombola, as well as raffles, books and games.

Corporal Stridirion said: "It was also a great opportunity to get leaflets out about the Squadron so that more people can come down and share what we do."

Mrs Glendenning added: "We raised over £1500 in two days to help the

cadets get much needed equipment and to keep the unit running, that's definitely one of the best totals we've raised at the show so far."

"On behalf of the committee and the staff, I would like to say thank you to the cadets that gave up their time to come and work so hard over the weekend."

The air show is one of the biggest fundraisers that the unit takes part in each year.

What did you do last weekend?

The Squadron PR team branched out into schools this month to spread the word of the unit to pupils around Sunderland.

The team, which is led by CI Yeo, visited both Thornhill school and Sunderland High.

Armed with high impact presentations and leaflets, the team asked pupils: 'What did you do last weekend?'

CWO Smith, who spoke at the presentations said: "It was great to go back to my old school and tell them what I'd been up to and what they could get out of

PR team with one of their various displays.

the Corps, it felt good to be giving something back to the Squadron and was my last official PR event before I leave for University."

The team were met with positive reviews from teachers and pupils alike and have been invited back

to continue spreading the word of the Corps.

CI Yeo said: "It's great to be able to deliver a presentation in a school assembly or citizenship session, it's a good way to get across all the great and exciting activities that we do, the team always perform brilliantly and they are an asset to the Squadron."

More visits and sessions are planned for the near future with the team branching into more schools and communities across Sunderland.
